COSTARS is the **Commonwealth of Pennsylvania's cooperative purchasing program** and serves as a conduit through which registered and eligible local public procurement units (LPPUs) and state-affiliated entities (together "Members") are able to leverage contracts established by DGS to cost-effectively and efficiently identify suppliers with whom to do business. The goals of this program are:

- To encourage, expand and facilitate the opportunities for Members to achieve

WELCOME TO THE COSTARS MEMBERS AREA!

CONTRACTS:

Members have the option to purchase from COSTARS Contracts or from a large selection of Statewide Contracts for which suppliers have consented to participate. And, participation in any COSTARS purchasing is completely voluntary, meaning that each COSTARS member is also free to obtain products and services through its regular procurement procedures.

COSTARS Contracts are for exclusive use by registered COSTARS members. The Department of General Services (DGS) has created these contracts especially for COSTARS members in accordance with the Procurement Code. In addition, many contracts created by DGS for Commonwealth agency use (statewide contracts) are also available to COSTARS members. All DGS contracts through which LPPUs and state-affiliated entities may make purchases, including COSTARS contracts and specific statewide contracts are part of the COSTARS Program.

Because the Commonwealth awards contracts through its own competitive bidding process, COSTARS procurements meet the cooperative purchasing requirements under 62 Pa.C.S. § 1902 (Title 62-Procurement) for local government purchasing. However, other statutory provisions, including without limitation, the requirement for prevailing wage determination, may apply. Government entities should consult their solicitors to determine if COSTARS contracts meet their procurement requirements. We suggest that private purchasers refer to their charters, by-laws, or other policies and/or consult with their boards of directors or legal counsel for guidance.

The COSTARS Program is intended for the exclusive use of member organizations. Individuals associated with the member organization are prohibited from using the contracts for personal purchases. Failure to abide by this may result in the member organization being removed from the COSTARS Program and appropriate legal action being taken against the individual(s) who improperly used the contract.

Commonwealth executive and independent agencies are not eligible to register as COSTARS members and may not make purchases from the COSTARS-exclusive contracts.

STAY CURRENT – UPDATE MEMBER PROFILE:

It is very important to keep your organization's profile current. COSTARS staff periodically communicates with our members regarding important news, updates, notices, etc. It is critical that we have accurate contact information for each member, including a primary contact person's name, address, phone, **and email**. Members can confirm that their information is up-to-date and/or update their member profile by selecting "COSTARS Membership" on the left. When cued, log in with your User ID and password, make any necessary changes, and submit. Don't miss out on important information and opportunities!

FAQ

1. How do I know if I am already associated with a member organization?
Ans: If you are associated, your member organizations are displayed in the Existing COSTARS Membership dropdown.
2. How do I check if my organization already has an approved COSTARS membership?
Ans: Partially type in your organization name or Member ID in the Membership Association Request box. If your organization appears in the list, your organization has an approved COSTARS Membership.
3. Why do I need to associate with an approved COSTARS Member?
Ans: There are only two reasons you must associate your user id with a COSTARS Member: View or update member organization profile or complete the annual sodium chloride (road salt) participation agreement. Member users who will only search for contracts or wish to receive communications from COSTARS do not need to associate with a COSTARS Member.
4. What if can't I find my organization on the list?
Ans: Try entering your COSTARS Member ID first, if no match, type organization name (partially or fully). For example, organization 1260 Housing Development can be searched by entering Housing and choosing 1260 Housing Development from the list. You must spell organization name correctly for system to recognize a partial or full match. If still unable to find your organization, it may not have an approved COSTARS Membership.
5. Can I submit a new membership request if my organization is currently a member?

REQUIREMENTS FOR USING THE STATEWIDE CONTRACT

- You **MUST** send a Request for Quote to ALL qualified suppliers.
- Do not send a Request for Quote to or accept a quote from any supplier who has not indicated they will allow Piggyback Purchases.
- Do not send a Request for Quote to or accept a quote from any supplier not listed in the **Aggregates and Anti-skid Materials** contract #5610-15.

Doing so is a violation of the contract and can result in an audit finding against your municipality if your total aggregates purchase for the calendar year exceeds your bidding threshold.

- Ultimately, you **MUST** choose the low-bid supplier or reject all bids.

NOTE:

- If you are having the material delivered, you must accept the lowest quote.
- If you are picking up the material yourself, you may account for your transportation cost to determine the lowest quote (e.g. if supplier A quotes \$10 per ton and is 25 miles away, and supplier B quotes \$10.25 per ton and is one mile away, you may choose supplier B based upon the better value).

Materials must be furnished from a qualified supplier listed in PennDOT Bulletin 14. Suppliers wishing to be listed in Bulletin 14 may contact the PennDOT Bureau of Construction, Materials Testing Division at 717-787-1037.

Aggregate & Anti-Skid search via the DGS/Procurement website:

http://www.dgs.internet.state.pa.us/AggregatesAntiSkidMaterialsSearch/

***Please note that the Aggregate Search feature will return results listing all PennDOT Bulletin 14 qualified quarries for the material specified. Users should consult the ITQ Supplier List to confirm the supplier(s) has a valid ITQ contract before issuing RFQs.

Minimum Order Amount: If applicable, include in dollars and/or quantity: Twenty two (22) tons

This is a multi line item Contract Prices are established when PennDOT Buyers place a Request for Quote (RFQ) on the PennDOT eProcurement website for interested and qualified suppliers to bid. This on line real time Bid & Award system allows individual Buyers and Suppliers the opportunity to establish current pricing on materials on an as needed basis.

Source Pick-Up Pricing:

Starting in 2013, Source Pick-Up Pricing was made available to Commonwealth Agencies and COSTARS members. The current pricing was provided by suppliers in response to PennDOT's Source RFQ 117 and is extended to Commonwealth Agencies and COSTARS members. To view pricing, select the '2020 Source Pick-Up Pricing' tab. Please note that this pricing is for PICK-UP materials only.

Procurements under \$10,000 may be made using either Commonwealth of PA Purchasing Card or via SAP Purchase Order.

*Note Non-PennDOT user only P-card Accepted

WELCOME TO THE COSTARS MEMBERS AREA!

CONTRACTS:

Registered COSTARS members have the option to purchase from COSTARS Contracts or from a large selection of Statewide Contracts for which suppliers have consented to participate. And, participating in COSTARS purchasing is completely voluntary, meaning that each COSTARS member is also free to obtain products and services through other procurement procedures.

COSTARS Contracts – Exclusive use by registered COSTARS members. The Department of General Services (DGS) has created these contracts in accordance with the Procurement Code. In addition, many contracts created by DGS for Commonwealth agency use are available to COSTARS members. All DGS contracts through which LPPUs and state-affiliated entities may make purchases, and specific statewide contracts are part of the COSTARS Program.

Statewide Contracts

Statewide ITQ Contracts

Because the Commonwealth awards contracts through its own competitive bidding process, COSTARS procurements meet the cooperative purchasing requirements under 62 Pa.C.S. § 1902 (Title 62-Procurement) for local government purchasing. However, other statutory provisions, including without limitation, the requirement for prevailing wage determination, may apply. Government entities should consult their solicitors to determine if COSTARS contracts meet their procurement requirements. We suggest that private purchasers refer to their charters, by-laws, or other policies and/or consult with their boards of directors or legal counsel for guidance.

The COSTARS Program is intended for the exclusive use of member organizations. Individuals associated with the member organization are prohibited from using the contracts for personal purchases. Failure to abide by this may result in the member organization being removed from the COSTARS Program and appropriate legal action being taken against the individual(s) who improperly used the contract.

Commonwealth executive and independent agencies are not eligible to register as COSTARS members and may not make purchases from the COSTARS-exclusive contracts.

STAY CURRENT – UPDATE MEMBER PROFILE:

It is very important to keep your organization's profile current. COSTARS staff periodically communicates with our members regarding important news, updates, notices, etc. It is critical that we have accurate contact information for each member, including a primary contact person's name, address, phone, and email. Members can confirm that their information is up-to-date and/or update their member profile by selecting "COSTARS Membership" on the left. When cued, log in with your User ID and password, make any necessary changes, and submit. Don't miss out on important information and opportunities!

DESCRIPTION

- ▶ Because of the multiple award nature, you may see that prices vary greatly among suppliers. DGS encourages you to comparison shop.
- ▶ DGS encourages suppliers to offer quantity discounts. Some suppliers offer quantity discounts in their public pricing, while others ask that you contact them for a quote.
- ▶ COSTARS members may purchase jointly to mutually benefit from the quantity discounts.
- ▶ Offered products and pricing are updated Quarterly
- ▶ Members are encouraged to negotiate lower prices. Please keep DGS informed so that we may share your success stories with all of the COSTARS membership.

PROCESS TO PURCHASE

- ▶ Shop around by clicking on a supplier contract number to review their offered products and pricing.
- ▶ Contact suppliers to review products and pricing in detail.
- ▶ Establish products and pricing. Choose a supplier.
- ▶ Order the products directly from the selected supplier using a purchase order. Include COSTARS Contract Number (COSTARS-26) and your COSTARS Member Name on purchase order.
- ▶ Send a request to DGS and the supplier to ask for addition of any missing manufacturers and/or products to the supplier's contract.

BIDDERS/CONTRACTOR'S LEGAL NAME:

Sample Vendor

A Contractor may choose to offer ancillary services in conjunction with the products it provides to the Purchaser. However, any ancillary services offered must be integral to the initial acquisition, must be initiated at the time of purchase, and must be included in the scope of the original procurement. Stand-alone services are not within the scope of this supply contract.

The Bidder may choose to offer ancillary services in conjunction with the products it provides to the Purchaser. The Bidder may submit the list of ancillary services and prices it proposes to offer. If it is not possible to submit pricing, as may be the case with certain installation services, the Bidder shall simply note that it is offering the service and that the actual price will be negotiated between it and the COSTARS participant and annotated on the purchase order at time of order.

WELCOME TO THE COSTARS MEMBERS AREA!

CONTRACTS:
Registered COSTARS members have the option to purchase from COSTARS Contracts or from a large selection of Statewide Contracts if they have consented to participate. And, participation in any COSTARS purchasing is completely voluntary, meaning that each COSTARS member purchases products and services through its regular procurement procedures.

exclusive use by registered COSTARS members. The Department of General Services (DGS) has created the COSTARS Procurement Code. In addition, many contracts created by DGS for Commonwealth agencies are available to COSTARS members. All DGS contracts through which LPPUs and state-affiliated entities may make purchases are part of the COSTARS Program.

Because the Commonwealth awards contracts through its own competitive bidding process, COSTARS procurements meet the cooperative purchasing requirements under 62 Pa.C.S. § 1902 (Title 62-Procurement) for local government purchasing. However, other statutory provisions, including, but not limited to, the requirement for prevailing wage determination, may apply. Government entities should consult their solicitors to determine if they meet their procurement requirements. We suggest that private purchasers refer to their charters, by-laws, or other policies and/or consult with their directors or legal counsel for guidance.

The COSTARS Program is intended for the exclusive use of member organizations. Individuals associated with the member organization are prohibited from using the contracts for personal purchases. Failure to abide by this may result in the member organization being removed from the COSTARS Program and appropriate legal action being taken against the individual(s) who improperly used the contract.

Commonwealth executive and independent agencies are not eligible to register as COSTARS members and may not make purchases from COSTARS-exclusive contracts.

Member Eligibility Requirements

The Procurement Code authorizes local public procurement units and state-affiliated entities to participate in certain contracts for supplies and services managed by the Department of General Services (DGS).

A "local public procurement unit" is defined as:

- Any political subdivision (local government unit), such as a municipality, school district or commission
- Any public authority (including authorities formed under the Municipality Authorities Act of 1955 or other authorizing legislation, such as the Public Transportation Law or the Aviation Code)
- Any tax-exempt, nonprofit educational institution or organization
- Any tax-exempt, nonprofit public health institution or organization
- Any nonprofit fire company, rescue company, or ambulance company
- Any other entity that spends public funds for the procurement of supplies, services, and construction (such as council of governments or an area government, or an organization that receives public grant funds)

DGS reserves the right to review and determine eligible applicants as local public

TRAINING CENTER

The COSTARS Resource Center has been redesigned to provide state-of-the-art online training systems for COSTARS Members and Suppliers. With the understanding that people learn differently, the Resource Center provides multiple easy-to-use training methods for each function of the COSTARS enhanced website.

Cue Card: Step by Step Instructions
This method offers a step by step guide with the option to illustrate a step by displaying a screen image by clicking on the underlined text. You may easily print this guide to refer to as you perform the necessary steps.

Simulation: Watch the Process
This method allows users to watch an example of the process as it is performed from beginning to end. The simulation may run continuously (Select Auto Playback) with an option to pause at a step or the user may choose to manually progress the simulation step by step (Select Standard Tutorial).

Guided Help: Perform the Process with a Guide
This method allows users to perform the actual function while a step by step guide is displayed (with the option to pause) in the top corner of the computer screen as you perform the process.

Select the link to the task below for which you would like instructions. On the next screen, select from the drop down menu in the top right hand corner to choose your preferred method of learning.
